**Juvenile Case Management System**

EDI Updates &
Planned JCMS Enhancements

EDI Updates effective 11/1/14

- **NEW:** **Municipal Court code will be added as an Agency to Referral Source on Referral Screen. (Example: This Referral Source will be used when referred to the JPD by Municipal Court.)**

- **NEW:** **Texas Student Data System (TSDS) Unique ID number will be added to the Juvenile ID and JJAEP Screen. This number will be used to replace the PEIMS number.**

Note: The TSDS Unique ID system is designed for Texas educational agencies to assign and maintain unique identifiers for student and staff members.

EDI Updates effective 11/1/14 - Continued

- **Inactivate Mental Retardation (MRT) code as a valid value for Program Type on Program record.**

- **Inactivate Mental Retardation (MRT) code as a valid value for Program Component Type on Program Component record.**
